### GDPR

To provide Membership services, we required to store your data and access it to contact you about club meetings, events and activities. This will only ever be done by committee management members.

We will not give your details to any third parties, and you have the right to remove your consent at any time.

We will only ever use your personal data for the purpose for which we have collected it. In the event your membership expires and is not renewed all data will be deleted within 6 months.

I also agree to abide by the society's articles of association.
